6) Total # of Interviewees Referred: For the period from March 23, 2010 to March 22, 2011. This Employment Unit interviewed 52 interviewees for full-time job vacancies.

7) Supplemental Recruitment Initiatives.

TYPE OF RECRUITMENT INITIATIVE	BRIEF DESCRIPTION OF ACTIVITY
<i>Local EEO Training for Management Level Employees</i>	The Citadel Memphis General Manager held a training session during a special staff meeting February 10, 2011 for all management-level personnel with emphasis on updated hiring practices, FCC/EEO rules and forms, prevention of discrimination and harassment, and promoting equal opportunity employment.
<i>Spring 2010 Job Fair, April 22, 2009</i> <i>Fall 2010 Job Fair, October 21, 2009</i>	The Employment Unit sponsored two job fairs at the Macon Cove Campus of Southwest Tennessee Community College; both were free to the public. Station personnel on-site included Sales Managers, Account Executives and Promotions Directors; some of whom have substantial responsibility in making hiring decisions. Both were advertised on all four Citadel Memphis Radio Group stations' websites, as well as on-air. As the group's job fair offering has become a Memphis job market staple, attendance was high among students and the general public.
<i>Participation in other community events representing groups in the community.</i>	<p>The group co-sponsored the second annual "<i>Becoming the Man of The House</i>", a local Father's Day incentive for sons being raised by single mothers. This day-long event was produced by the Group's Community Affairs Director in cooperation with the 110 Institute, and featured lectures, one-on-one counseling by community leaders and volunteer mentors. Event featured local and national celebrated "Men of the Year" with meet-and-greet sessions for the youths.</p> <p>The Memphis group is also actively involved in the promotion of <i>Big Brothers Big Sisters</i>, and served as a media partner for their 13th Annual SportsBall..</p>
<i>Scholarship Program</i>	Each Spring, the Employment Unit sponsors a Broadcast Scholarship at the University of Memphis. The University of Memphis Broadcast Department annually selects scholarship recipients from a pool of applicants majoring in broadcasting at the university.
<i>Internships</i>	The Employment Unit, provided on-site training and non-paid broadcast experience to two student interns during this recruitment period. Both interns were Communications students at the University of Memphis, and were directly supervised by the Promotion and Sales Managers. One internship occurred from October through December 2010; a second occurred from January through March 2011.
