ENVISION RADIO NETWORKS® THE FINAL VERDICT **PRESENTS “A VERY LEGAL XMAS”**

(NOVEMBER 2009) – Jesus kicked out of city hall, a kid arrested for opening his presents too early, and a drunken float in a Christmas parade – these are just some of the legal issues when Envision Radio Networks®’ The Final Verdict presents “A Very Legal Christmas” – a special week’s worth of yuletide justice. Host Attorney J. Coleman will keep you on the right side of Santa’s “naughty or nice” list with a full week of holiday themed legal challenges and court rulings.

These vignettes are available via Internet download for broadcast beginning December 14th. Contact Matt Wardlaw at mattw@envisionradio.com for broadcast details.

The Final Verdict is a daily 60 second legal challenge hosted by retired renowned attorney J. Coleman. *The Final Verdict* can be used by radio stations as a benchmark feature, as well as an interactive game that can be played either on-air with listeners or via the radio station’s website. Each day’s legal challenge involves real people in everyday situations like divorce, accidents, real estate, workplace issues, religion, child custody, money issues and marriage.

J. Coleman, a graduate of Santa Clara University School of Law, personally writes and records each episode of *The Final Verdict* based on a genuine legal case. After over 20 years of practice, J. Coleman is uniquely qualified to provide a compelling daily story about real people in relatable legal situations. *The Final Verdict* is available for your radio station via internet download. For more information and a free demo, visit www.envisionradio.com.

Envision Radio Networks® provides content and services to more than 1,000 radio stations and reaches over 38 million listeners weekly. Envision Radio Networks, Inc. is the largest independently owned affiliate relations company in the country and supplies all types of programming and services to radio including morning show prep, short-form vignettes, live syndicated morning shows, long-form weekend programming,

comedy services, remote broadcasts and event programming, off-air tools and web content, album releases and artist specials. Envision Radio Networks® is based in Cleveland, Ohio, with offices in New York City and Los Angeles.
